Tracks4Africa 24.06 Release Notes

01 June 2024

Note: This is a subscription release. If you have purchased a yearly or 5-yearly subscription, this will be a map upgrade for your active subscription.

This **upgrade** should now be available on our online shop under "*My Account/Subscriptions*" under your active subscription.

The map growth is organic in nature. **This release will always include more roads, tracks and waypoints in general.**

What is specifically new on the T4A GPS Maps Subscription release 24.06?

- Lilongwe City Updates
 - Namibia road type & Surface Updates
 - The Canal Motorcycle & MTB Route Added
 - North Eastern Pretoria Streets Added & Updates
 - Drie Kuilen Nature Reserve Camping & Accommodation Added
 - Grootplaas Adventures Campite Added
-

PLUS All SD Card version 24.05 Upgrades will also be included in this Subscription
