Tracks4Africa 26.06 Release Notes

01 June 2026

Note: This is a subscription release. If you have purchased a yearly or 5-yearly subscription, this will be a map upgrade within your active subscription.

This **upgrade** should now be available on our online shop under "***My Account/Subscriptions***" under your active subscription. (note: if you are eligible for this release and your subscription has in the meantime expired, you will still be able to access and use it - find it under your expired subscription.)

What's new?

The map growth is organic in nature. **This release will always include more roads, tracks and waypoints in general.**

What is specifically new on the T4A GPS Maps Subscription release 26.06?

- Namakwa Eco Route Updates
- GlenDonald Farm Accommodation Update
- Amersfoort Town Updates
- South Africa road speeds update

PLUS All SD Card version 26.05 Upgrades will also be included in this Subscription

upgrade:
